## **Job description for International Tester**

### **PSQ:**

Payment Service Quality (PSQ) is a small market research company performing field testing/auditing studies based on mystery shopping for the electronic payment industry.

The company was created in 2012 and is based in Bordeaux, France.

### **Job Description:**

PSQ is looking for a new recruit to join its team of international testers working on a large-scale project for one of the world's leading payment systems. The successful candidate will perform mystery shopping in several countries worldwide over the course of 6 to 8 months at intervals of approximately 2 weeks each. The tester will have to capture agreed information during the transaction process found at specific merchants and will report the data back to PSQ via its secure, online application, on a daily basis.

### **Location:**

The project is to take place in around 30 countries over the course of 1 year. Between them, the team of testers, will travel to and from each country individually. Each tester will perform a minimum of 15 transactions a day at merchants selected from a specific list provided by the client. Each trip will last between 1 to 3 weeks and the frequency of trips is monthly.

### **Contract:**

PSQ offers two options regarding employment, to be decided by the successful candidate.

1. *Contrat à Durée Déterminée (CDD)* per trip
2. Self-employed (*Auto-entrepreneur*) invoice per trip

### **Remuneration:**

A tester's salary varies per project and depending on the chosen method above. They are paid per audit as well as for their flights. All costs incurred during trips abroad are covered.

### **Skills Required:**

- Organised;
- Strong communicator;
- Autonomous;
- Scrupulous;
- Sense of orientation;
- Perseverance.
